

## BARCELONA 2010 Ninth International Congress on the Biology of Fish, July 5th-9th

It is now time to start planning the scientific program for the Barcelona 2010 AFS Fish Biology Congress. We welcome your ideas for symposia. Please provide details using the outline below. For those who have already submitted a title, could you now expand your idea with more information. Please feel free to distribute this notice to your colleagues who **may** not be on the AFS Physiology Section membership list.

Return your proposal to Don MacKinlay ([Don.MacKinlay@dfo-mpo.gc.ca](mailto:Don.MacKinlay@dfo-mpo.gc.ca)) or Pat Wright ([patwrigh@uoguelph.ca](mailto:patwrigh@uoguelph.ca)).

### PROPOSAL:

Please provide the following information:

1. Symposium title
2. Organizer(s) and affiliation
3. Short description of the purpose and content of the proposed symposium.
4. Possible list of speakers, affiliation and topic/title (approximately 8 speakers for a half day symposium and 16 speakers for a full day session).
